

Carmouche, Kendrick: Born: Jan. 18, 1984. From: Vinton, LA.

Father, Sylvester Carmouche, was a jockey and Kendrick's Mother was his agent. When Kendrick started riding his mother was his agent as well. Father retired in 2011 after riding for 25 years (and a riding accident where he broke his neck).

Knew he was going to be a jockey since he was born. Started galloping horses at age 10. Started riding professionally as soon as he turned 16. Began riding in Louisiana, moved on to Parx Racecourse where he was leading rider 5 times from 2008 to 2013. Shifted his tack to New York in January 2015.

20 Graded Stakes wins but no Grade 1 wins (as of Jan. 2018).

In December 2017 Carmouche recorded his 3,000th win and, fittingly, it was at Parx Racecourse. He still rides full-time in NY but rides at Parx on the dark days (Monday and Tuesday).
