

Espinoza, Asa: Born: From: Arcadia, CA (parents are now back in Mexico)

18 years old on 2/23/2018 when he won his career first race. He's the nephew of HOF jockey Victor Espinoza and, while he was born in Arcadia, CA and went to high school there, both of his parents are now back in Mexico. He lives with Victor and they share an agent—Brian Beach.

That first win came aboard the Vladimir Cerin-trained, South Texas Lingo. Asa had been in CA working every morning—and working lots of horses—for over a year in advance of that first win.
