

Arroyo, Jr., Norberto: Born: July 19, 1976. From: San Juan, Puerto Rico.

Started his career riding in New York in 1999. Went through some tumultuous years in the early 2000's... growing pains? Too much success too fast? Whatever the case, after a hiatus of about a year from racing and some career rebuilding in the midwest, he shifted his tack to the West Coast in 2016 and his career has been on a steady ascent since.

Brother, Nelson (former jockey), is he agent.
