

De La Cruz, Fernando: Born: From: Peru.

First came to the USA from Peru in 2007 and went directly to Indiana. He's been in the Top 10 in the ridge colony since then and in the past 3-4 years has earned several riding titles at Hoosier Park and Indiana Grand.

In 2017 he rode in his first Breeders' Cup. It was also the first time for him to ride in California.

Missed the early part of 2017 recovering from a shoulder injury that required surgery. Was riding in Indiana most of the year, Tampa in the winter, but vowed to go to NY after 2017 B. Cup. Looks like he adjusted that plan and is riding at Oaklawn Park for the 2017/18 winter meet instead.

As of Jan. 2018 has only one graded stakes race win. Has not yet won a GI.

Family: Wife: Rosa Ore and 2 children
