

Hernandez, Carlos: Born: 20 in May 2018 From: Puerto Rico

While he did attend Puerto Rico's jockey school, the same school that produced John Velazquez, Irad and Jose Ortiz and Manny Franco, Hernandez has no family involved with horse racing. "...my father thought I should try riding. He's the reason I started..."

Hernandez rode his first U.S. based winner at Gulfstream Park on March 10, 2016, moving to Monmouth Park for the summer a year ago.
