

Fuentes, Ruben: Born: 22 yrs. old June 2020. From: Mexico but raised in El Paso, TX

Fuentes was born in Mexico but moved to El Paso, TX when he was just a few months old. Hails from a family of jockeys: father, three uncles, and two of his two brothers are all riders. Started riding in 2016 in New Mexico and the Arizona but shifted his tack to California in 2017 and his business has slowly picked up there.

In 2017 he won 24 races. 2018, 48 wins. 2019 he won 74 times.

Actually enjoyed the COVID Quarantine (at Santa Anita) with fellow jockeys and the time he was able to spend with them, listening to their stories and developing camaraderie. Workout guy.
